

*that's cheese!*

Reeuwijk, November 2009

## STATEMENT

We hereby state that all our; primary, secondary and tertiary products, services and/or deliveries comply with the relevant National and European legislation at the time of delivery or completion.

Vergeer Holland has a complete operational, documented, well-maintained and independently certified, internationally recognised quality and food safety system available.

All our products and/or services are covered within the mentioned quality and food safety system.

We ensure that our products, services and/or deliveries comply with the Vergeer Holland specifications.

Best regards,

Kevin Vos

Head of the quality department,  
Vergeer Holland
